Mr. Howland Wood,
American Numismatic Society,
New York, N.Y., U.S.A.

Dear Mr. Wood:-

I thank you very much for your letter giving attribution of the two small Bolivian pieces I sent you. Nothing new has appeared here recently, the 20 centavo piece of 1919, 400 fine is appearing in circulation up this way but from newspaper reports small change is scarce in the center of the country due to melting. The nickel pieces authorized last year have not appeared yet.

I would appreciate your kindness in handing the enclosure to the Secretary of the Society.

Very truly yours,

Thomas W. Tetley

Dear Sir:-

I have the honor to inform you that at the last meeting of the Council you were unanimously elected an Associate of The American Numismatic Society upon the nomination of Mr. Howland Wood.

We should be very glad to have you communicate to us anything of numismatic interest in your faraway section of South America. There is at least one numismatist in Chile, Dr. J. F. Medina, who has published a number of very valuable treatises. It is unnecessary to say that we should be glad to see you whenever you are in New York.

Yours very respectfully,

Secretary.
